F. Transfers

Service Description

This Agreement describes the various types of transfers that are available within the Service and the rights and responsibilities concerning these transactions, including rights under the Electronic Funds Transfer Act. By making Transfers through the Service, you are authorizing the Credit Union to originate transfers on your behalf to a recipient's account.

Transfers through the Service that affect savings accounts are subject to the Federally-mandated limitations on withdrawals and transfer transactions described in the "Truth-In-Savings Disclosure".

After every transfer is successfully initiated, a status or confirmation message appears. Documentation of transfers will be reflected on periodic statements, as required by applicable rules.

Transfers between Civic Accounts ("Internal Transfers")

Internal Transfers refer to the transfers made from one of your Eligible Accounts to another Eligible Account.

Internal transfers may be one-time, recurring, or scheduled for a future date. Transfers that are not scheduled for a future-date occur immediately and cannot be cancelled.

If a recurring or future-dated internal transfer fails for a reason other than insufficient funds in your Eligible Account from which the funds are being transferred, we may try again to complete it and you may be notified of the failure and further transfer attempts. If the internal transfer fails due to insufficient funds, you will not be notified and all attempts to transfer will be terminated."

Transfers between Civic Accounts and Other U.S. Financial Institutions ("External Transfers")

External transfers refer to transfers made to/from your Third-Party Accounts at another U.S. financial institution and preauthorized debits and credits initiated by you. They are processed through the Automated Clearing House (ACH) on Business Days and may take up to 3 (three) business days to process.

Automated Clearing House system is used if we receive an ACH entry into your account. ACH credit entries will be governed by the rules of the National Automated Clearing House Association (NACHA), which states that the ACH credit entry shall be governed by and construed in accordance with the laws of the State of North Carolina.

External Transfers Definitions

Draw Account refers to the account that funds will be withdrawn from.

Receiving Account refers to the account that funds will be deposited into.

Send Date refers to the date the transfer is requested to be sent.

Third Party Account refers to your account at another U.S. financial institution, referenced through this Service.

External Transfers Terms and Conditions

In order to initiate transfers to/from your accounts at other U.S. financial institutions, you will be required to provide account information for your Third-Party Accounts, including, but not limited to, the financial institution's name, ABA/routing number, account type, and your account number(s). You will not be able to initiate International ACH Transactions ("IATs") using the Service.

You acknowledge that if we discover that you provided us with incorrect or incomplete information, we may make reasonable efforts to contact you to remedy the situation. However, you agree to accept full responsibility for any losses resulting from any such errors.

You may be required to provide proof of ownership of any Third-Party Account to or from which you are requesting a transfer of money.

We may require you to demonstrate your ownership of a Third-Party Account by means of trial deposits. Trial deposits involve us making one or two low value payment(s) (usually less than \$1.00) and one withdrawal of such funds. You are then required to report certain details of such transactions to confirm your account ownership. Your funds are not used for the trial deposits. You will be asked to confirm the amount of the trial deposits in order to verify proper account setup. No external transfer can occur without this verification. Each external transfer made with an eligible Civic savings account will, if applicable, count toward the monthly transaction limit for your account. Civic reserves the right to require you to use other methods to prove your ownership of a Third-Party Account.

You agree that we have the right to collect funds from any/all of your Civic accounts, including the available balance on your line-of-credit accounts or any of the overdraft services applicable to your accounts, to provide the funds for any transfers that have been requested by you. This includes accounts on which you are the primary owner, as well as accounts on which you are the joint owner.

We are not responsible for any holds on funds placed by other financial institutions.

We will not notify you in the event an external transfer fails due to insufficient funds.

The terms and conditions for the account types offered by us are stated in the “Truth-In-Savings and Other Account disclosures” apply (e.g., number of monthly transactions allowed on a particular account) and you hereby acknowledge and agree that they are incorporated herein by reference.

Cancellation of External Transfers

Future-dated and recurring external transfers may be cancelled as long as they are cancelled prior to the Send Date.

Processing of External Transfers

- The withdrawal will be initiated on the same Business Day the credit is initiated.
- If the transfer funds are not available in the Draw Account for any reason, the entire transaction will be either cancelled or reversed from the applicable account(s).
- We will not be responsible for restrictions enforced by any other financial institution.

Termination of External Transfers

We may terminate use of External Transfers at any time, at our sole discretion. Incidents of transactions that are returned for a closed and/or invalid account, external transfers for which you are not the owner, and repeated incidents of non-sufficient funds may result in termination of External Transfers or the Service.

While you may request a reinstatement by contacting us, we reserve the right to grant or deny reinstatement.

If at any time you wish to discontinue your use of External Transfers, all pending transactions must either be cancelled or completed prior to the termination.

Once your External Transfer service with us has been terminated for any reason, you will have no further right or access to use it and we will not access your Third-Party Accounts thereafter for any reason.

Fees for External Transfers

You may be subject to Civic fees or fees from other institutions for incidents of insufficient funds or other miscellaneous fees associated with any external transfer. Refer to the Credit Union Fee Schedule for a complete list of fees.

Fees, if applicable, will be debited from any Civic account at the time the draw is made. You authorize us to deduct any/all fees at the time the transfer is initiated. If we are unable to collect the applicable fees due to insufficient funds, you authorize us to debit any of your accounts held at the Credit Union and/or take any means necessary to collect the fees.

Error Resolution and Disputes

Refer to the Error Resolution section of this Agreement. If you believe that any transfer has been made without your permission, contact the EXC immediately to protect your rights and limit your potential liability.

G. BillPay

Service Description

You may pay bills via the BillPay Service by electronic means or paper check based on availability to eligible payees located in the United States within established BillPay Service limits. You must have a checking account in order to use the service. This service may be accessed either online or via your mobile device.

Definitions

Payee refers to the vendor/biller, person or entity to which you wish a bill payment to be directed.

Payment Instructions refers to the information provided by you for a bill payment to be made to your Payee (e.g., payee name, account number, payment amount, and/or payment date).

Payment Account refers to your checking account. Should the account not have sufficient funds or be overdrawn when a bill payment is scheduled, any applicable share account or available balance on line-of-credit accounts at Civic may be used. Multiple checking accounts may be established as Payment Accounts.

Payment Service and **BillPay Service** refer to the BillPay Service.

Deliver On Date refers to the date in which your bill payment transaction will be delivered to your chosen Payee and your account will be debited.

Send On Date refers to the Business Day of your choice upon in which you want your bill payment to be made and the date your payment will be processed.

Cutoff Time refers to 4:00 p.m. Eastern Time (ET) on any Business Day.

Stop Payments refers to a request by you to have the Credit Union stop payment on a share draft or check, preauthorized electronic funds transfer, or an electronic draft/check conversion transaction.

By providing the BillPay Service with the payee names and account information, you authorize the BillPay Service to follow the Payment Instructions that it receives from you. When a Payment Instruction is received by the BillPay Service, you authorize it to debit your designated Payment Account(s) and remit funds on your behalf so that the funds arrive as close to the Business Day designated by you as reasonably possible.

Payment Processing

Payment will be made to your Payee either electronically via the Automated Clearing House (ACH) or by paper check. The method of payment depends upon the processing method that can be accommodated by the Payee (e.g., some Payees are unable to accept electronic payments). You will be notified to allow three (3) to five (5) Business Days for payment processing at the time payments are established. Payments made through the BillPay Service will appear on periodic statements.

Payments and transfers from your Payment Account may be processed in four different ways:

Today: If you designate a bill payment as a “Today” transaction, the Send On Date will be the same Business Day if requested prior to the Cutoff Time. Payments will be deducted from your Payment Account on the Deliver On Date. “Today” payments may not be changed once they are no longer in the “Payment Outbox.”

Future: If you designate a payment as a “Future” transaction, you may request that the transaction be made on a future date. You will only be able to establish payments with a Send On Date that is a Business Day. “Future” transactions may be cancelled or changed as long as they are in a pending status.

Recurring: If you designate a payment as a “Recurring” transaction, you may request that the transaction be made in the same amount to the same Payee or account on a specified regular, periodic basis. You will designate a “start” and “end” date. You will only be able to establish the initial recurring payment with a Send On Date that is a Business

Day. "Recurring" transactions may be cancelled or changed as long as they are in a pending status. You may only establish a single recurring payment to the same Payee.

Automatic: If you receive e-bills for specific payee(s), you can designate an automatic payment rule to pay the bill or a portion of the bill. Sufficient and available funds must be available by 12:00 a.m. ET of the night before the Send On Date, but will be deducted from your Payment Account by the Deliver On Date. "Automatic" payments may only be changed if they are in a pending status.

eBills (Electronic Bills)

By enrolling in eBills, you are authorizing the Payee/biller that offers this option to transmit your bill and are authorizing us to display your bill within the Service. Important: your enrollment in eBills will generally result in the termination of any existing bill in paper form that you are receiving currently. The eBill setup process may take a full billing cycle to process.

There are two types of eBills, direct and in-direct, which may have different setup requirements based upon what the individual Payee. Direct eBills do not require any payee website login information. For indirect eBills, the BillPay service collects login credentials to the Payee site during the eBill setup process.

We are not responsible for eBills that do not arrive, those you cancel, or late payments as a result of late/missing electronic or paper bills.

You authorize us to provide your email address and other required information to each Payee-biller you specify in order to set up and maintain the eBill feature for you. You agree to abide by all terms and conditions and other requirements by the Payee-biller, including as all may be updated from time to time.

Stopping or Modifying Online BillPay Payments

Payments designated as "Today" transactions cannot be stopped, cancelled, or changed once they are being processed.

Stop Payments are only applicable to payments made by paper check that have not yet cleared. In order to request a paper check stop payment, you must contact the EXC. If the Stop Payment can be processed, a credit to your Payment Account will be processed within three (3) Business Days from the Stop Payment request date. You are responsible for completing any/all modifications to payments, payees, etc.

If we do not properly complete a Stop Payment on a bill payment made by paper check on time according to our Stop Payment Request Agreement with you, we may be liable for your losses or damages. However, we will not be liable if the information provided to us to process the stop payment order is incorrect or the fault lies with the member. There may be other exceptions deemed applicable by us.

Documentation of Payments

After every payment is made, a confirmation with reference information will be viewable through the Service. In addition, information about your payments will be reflected on your periodic statements.

In these cases, you agree that normal account fees will be charged to your account in accordance with our established and published fee schedule. By enrolling for and using the Payment Service you agree that we have the right to collect funds from all of your accounts, the available balance on your line-of-credit accounts or any of the overdraft services associated with your account, to recover funds for all payments that have been requested to be paid by you. You agree that all actions of you (and such Users as the Account Owner shall designate) with respect to Online and Mobile Banking Services and accessing your accounts shall be deemed authorized by you.
